WHY CHOOSE INLES?

GERMAN SCHÜCO QUALITY

Since 1996 we are working together with Schüco, the renowned German supplier of vinyl profiles.

STANDARDS AND CERTIFICATES ACQUIRED

Our products are properly certified and tested at reputable German institutes. Self-testing devices for air and water tightness also enable control over the individual characteristics of our products.

SAFE PURCHASING

We are one of the largest joinery manufacturers on a European scale with 75 years of tradition. The vast majority of our products are exported to the most demanding markets of the European Union under their own brand.

AFTERSALES SERVICES

Even after purchase, we will take care of your products. We feature an extensive network of service centres with specially trained service technicians for a professional performance of all the necessary tasks.
