## WHY CHOOSE INLES?

### GERMAN SCHÜCO QUALITY

Since 1996 we are working together with Schüco, the renowned German supplier of vinyl profiles.

### STANDARDS AND CERTIFICATES ACQUIRED

Our products are properly certified and tested at reputable German institutes. Self-testing devices for air and water tightness also enable control over the individual characteristics of our products.

### SAFE PURCHASING

We are one of the largest joinery manufacturers on a European scale with with 75 years years of tradition. The vast majority of our products are exported to the most demanding markets of the European Union under their own brand.

### AFTERSALES SERVICES

Even after purchase, we will take care of your products. We feature an extensive network of service centres with specially trained service technicians for a professional performance of all the necessary tasks.
